[Workshop Descriptions](#)

Event includes four virtual training workshops.

Purpose: Professional development opportunities for driver education professionals.

How/When: Workshops will be conducted virtually through Zoom and will cover current issues related to driver education. Workshops start at 1:00pm EST and are 4 hours in length.

Registration required. Register for full event or individual workshops.

- Members: \$100/full series or \$35/per workshop
- Non-Members: \$150/full series (includes membership) or \$85/ for first (includes membership) \$35/per additional workshop.

Professional development certificates for each workshop will be issued for full attendance (4 hours each or 16 hours total). Check with your state administration to verify if participation will be accepted.
